FOREWORD

As early prospectors searched for gold and grew rich upon finding it, so we, the students of Mars Hill High School, seek the same rich vein of knowledge which can easily be obtained by our efforts to learn, and we find great riches in our possession of learning. At the same time that we secure the gold of knowledge, we also mine the silver ore of participation in school organizations and athletics. In each of the phases of school life in which we participate, we find our own lives enriched by our share of the fine ore of wisdom which contributes to a balanced life. Just as miners used their mines wisely, we should show our appreciation of our centers of learning by wise, careful utilization of the time spent in these centers. This annual, the assay report of our school's gold, shows our ore to be of very high value. As you, the students, browse through this yearbook, we who have compiled it hope that it will serve as a lasting reminder of our school's contribution to our wealth of learning.

MRS. ETHEL E. MOYERS

In her we find a wise counselor and a sincere friend, as well as an accomplished teacher. We admire and appreciate her noble character and her human understanding. To Mrs. Moyers, whose guidance made this annual possible, we gratefully dedicate the 1958 WILDCAT.

As We See Her. . .

RALPH E. NEILL
Principal

To you, the Seniors of 1958, I extend hearty congratulations for your excellent work on this year's annual. It is a lasting record of the 1957-1958 school year, a year which has been characterized by consistent improvements. My sincere hope is that this year's work may inspire students of future years to continue to make improvements in school work, activities, and spirit.

Ralph E. Neill

For the past nine months, the members of the annual staff have spent every spare moment busily working on the annual. There have been many problems to solve, but slowly, the completed annual has emerged from all of the confusion. We hope that through the years, each time you turn its pages, it will bring back many precious memories, and that you will enjoy it as much as we have enjoyed preparing it for you.

Paper Staff...typewriters that wouldn't spell right...deadlines which had to be met...headlines that refused to fit ...people that disappeared with valuable information...These are common problems for the members of the paper staff, and they have solved them very admirably. When the paper comes out and they see all of the excitement, the "reporters" feel well rewarded.

MARS HILL HIGH BAND

The band is a familiar part of high school life. No football game would be complete without the halftime performance of the band, nor can spirits be lifted quite so quickly as by their spirited renditions. They assure the teams in a musical way that the students are behind them 100 percent. The marching formations have delighted everyone with their originality; and the authentic western costumes have added much variety to their shows. They also represent our school very well in parades in near-by cities.

Equally impressive is the effective job that the band does in the spring concert, after being formed into a concert band. Concerts are also given in several different schools.

Our Director

To Mr. Lackey goes the credit for the new band uniforms, the varied half-time shows, repaired instruments, and the many other improvements which were made this year.

The choral clinic representatives who attended the annual Mars Hill College Choral Clinic were chosen after careful try-outs. They spent many hours learning the music and rehearsed for two days with representatives from other schools. The Choral Clinic banquet and the concert were highlights of their days spent at Mars Hill College.

FOOTBALL

Despite many handicaps, the 1957 Wildcats achieved a fairly good football record of four victories out of ten games. Hurt by the loss of seven players from last year's senior class, our team still won most of the games in which the favorable factors were even. The Wildcats were also hurt by the injury of Howell Smith early in the season, preventing his valuable contribution to the game. But the team did well and showed a fine spirit.

Led by big Philip Ball, the Mars Hill eleven won its four victories by safe margins. Howell Smith, David Bradley, John Grindstaff and Wayne Roberts also contributed much to the victories. At the homecoming game, happy Mars Hill fans saw the Wildcats trounce Walnut, 27 to 6. This game also marked the season's climax of an improving school spirit of support.

At the season's end, three of our valuable senior players were chosen as members of the All-Conference team. They were Philip Ball, Howell Smith, and David Bradley. These honors were certainly well-deserved.

JUNIOR VARSITY

This year has seen the Mars Hill freshman teams participating actively in interscholastic sports and obtaining excellent records in both football and basketball.

Under Coach Peek's guidance, the Jayvee football team won five games, tied one, and lost only one. Almost all the games were won by wide margins, showing the high quality of our freshman players.

Coach Bennett led the basketball team through a season of closely played games, culminating in a record of 14 wins and only 1 loss. Such fine performance indicates that the varsity basketball team will have a supply of really good players for the years to come.

The Jayvees deserve our support, for their training will become evident in the records of future varsity teams.

Higher, Joy Lou!

Left to Right: Carolyn Rigsby, Claudia Worley, Oval Grindstaff, Genell Griffin, Jean Gosnell, Joann Dycus, Marie Sherman, Barbara Metcalf, Joy Lou Hensley, Brenda Ponder, Jo Whitt, Elizabeth Brady, Avanell

With a nearly perfect record of 18 wins and only two losses, the 1958 girls' team gave our school good reason to be proud of them. Particularly outstanding players were seniors Joy Lou Hensley, Joann Dycus, and Jean Gosnell; juniors Jo Whitt and Barbara Metcalf; and sophomore Brenda Ponder. These girls led the team in winning most games by extremely wide margins.

In the county tournament, the girls were held to second place by the strong Walnut team, despite very fine playing. However, our girls, holding the best record in the Skyline Conference, became conference champions.

Four very deserving girls were chosen as members of the All-Tourney team. They were Joy Lou Hensley, Barbara Metcalf, Brenda Ponder, and Jo Whitt.

So well is the girls' basketball talent divided among the classes that Mars Hill can look forward to other really good teams in coming years.

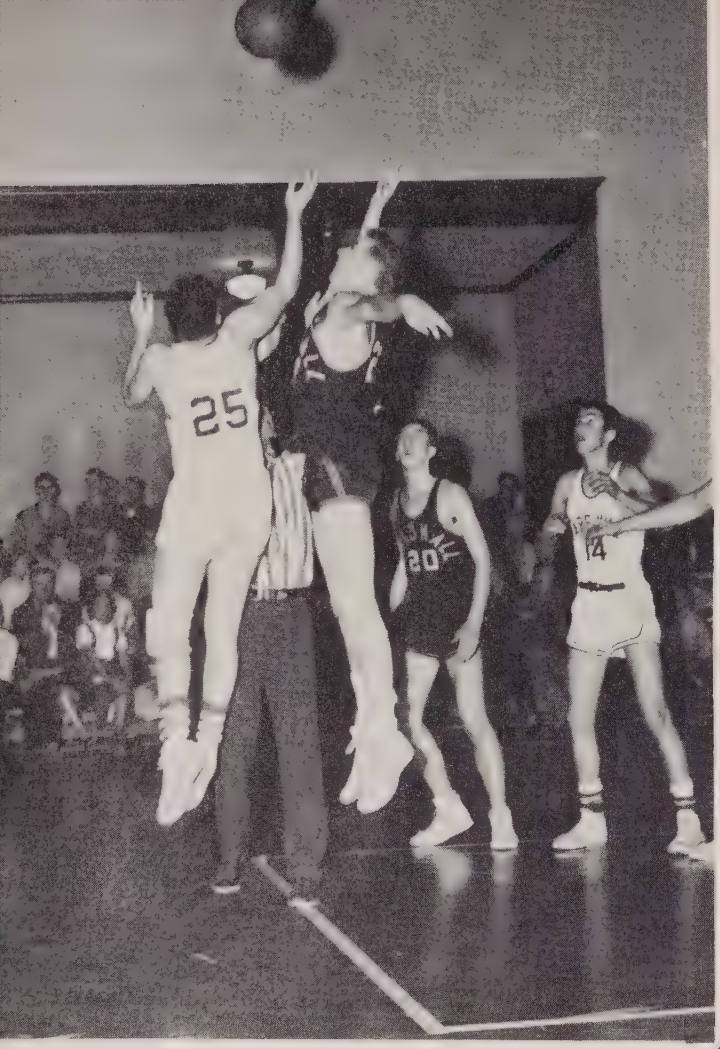
The players and coaches of Mars Hill High School owe much to the cheerleaders. Whether the team is winning or losing each member of this wonderful group of girls gives her all to let the players know that their school is supporting them. Not only do they support the team during the game, but they also show their backing by providing the decorations that help give the games color. We should really appreciate our cheerleaders for their fine contribution to our school life.

BOYS'



It's your ball, Smith!

Left to Right: Paul Buckner, Max Gibbs, Gay Greene, Donald Caldwell, Floyd Grindstaff, Jackie Keith, Coach Peek. Second Row: John Grindstaff, Joel Murray,

The fast-moving 1958 boys' team, led by several hustling seniors, left in its wake a record of eight wins and eleven losses. Beginning the season with a bang, the Wildcats bowed to tough opposition in the middle of the season, but went on to finish in fine style. The return of Howell Smith, who had been out with a football injury, gave the team courage. Other outstanding players were seniors Sam Vance, David Bradley, and Wayne Roberts, as well as juniors Jackie Whitt and Jackie Keith.

In the county tournament, our team played well, but was defeated in close games by the refreshed Marshall and Walnut teams to finish in third place.

Two leading players, Howell Smith and Jackie Whitt, were named to the All-Tourney team.

The fine performance of underclassmen on this year's team gives Mars Hill fans good hope that future teams will be of high quality.

BASKETBALL

BASEBALL

Several senior boys dominated the 1957 baseball team. The strong hitting of Milam Wall and Jerry Brown, the skillful pitching of Tarshal Peek, the expert fielding of Tony Ponder and James Radford--all these made possible the good 1957 baseball season. Guided by Coaches Peek and Bennett, the team won six of the ten games played, progressively growing stronger. The student body gave the team good support. This year, many promising players plan to "go out" for baseball and the hopes are high for an even better season in 1958.

First Row, Left to Right: Jimmy Brown, David Ball, Gay Greene, Dedrick Cody, John Grindstaff, Leonard Griffin. Second Row: Coach Peek, Martin Fox, Pender Shook, Jackie Whitt, Howell Smith, Edward Fisher, Leonard Edwards.
